Awards and Prizes
- Alfred Noble Prize to Ralph J. Kochenburger ... 41
- Daniel W. Mead prize subjects announced ... 722
- Daniel W. Mead prizes to Roy G. Cappel and Gordon L. Laverty ... 41
- Freeman Fellowships offered ... 726
- Hoover Medal for 1951 to William L. Batt ... 723
- J. Waldo Smith Fellowship announced ... 221
- John Fritz Medal to E. G. Bailey ... 545
- Robert Ridgeway Prize awards announced ... 356
- Announced by Board of Direction ... 421
- Awarded at 1951 Annual Convention ... 605

Ballots
- First ballot for 1952 officers canvassed ... 485
- Final ballot for 1952 officers canvassed ... 609

Board of Direction
- Actions in Houston in February ... 163
- Actions in Louisville in June ... 418
- Actions in New York in October ... 665
- Confirms 1952 committee personnel ... 723

Centennial Celebration
- "Centennial marks a century of engineered progress," Lenox R. Lohr ... 631
- Frank W. Edwards named general manager ... 667
- Henry T. Heald appointed to committee ... 722
- Stamp bill introduced in House ... 610

CIVIL ENGINEERING
- New Jersey Turnpike featured in January 1952 issue ... 732
- Robert Cypher joins advertising staff ... 166
- 1950 Index available ... 98

Committees

AMERICAN SOCIETY OF ENGINEERING EDUCATION

59th annual meeting held at Michigan State College ... 494

AMERICAN STANDARDS ASSOCIATION

Hydraulic letter symbols studied 678

ATOMIC ENERGY

AEC plant at Paducah, Ky., contracts let, 116, 548
AEC plant facilities get planning funds 299
AEC to build uranium ore refinery in Ohio 365
Aiken, S. C., site for plant selected 49
Contract extended for operation of Hanford Works 734
"Designing for nuclear shielding," H. M. Glen 657
"Prior planning saves lives in atomic disaster," J. S. Marsh 155
Symposium, "Nuclear shielding—a new engineering field" 451
"What is nuclear shielding?" H. M. Glen 451
"Barytes aggregates make heavy concrete for shielding," Edward G. Tirpak 453
Titanium plant in Henderson, Nev. 550, 672

AWARDS AND PRIZES

American Institute of Steel Construction scholarships announced 304
Fellowships in public health field announced 616
Fulbright Awards in engineering announced 551
Hoover Medal to Karl T. Compton of MIT 42
Moles announce 1952 awards 732
Moles present awards 168
John Fritz Medal for 1951 to Vannevar Bush 98
Washington Award to Edwin H. Armstrong 166

BEACH EROSION

"Beach protection engineers attempt to outwit nature at Presque Isle Peninsula," Frank H. Forney and Gerald A. Lynde 508

BRIDGES

American Institute of Steel Construction awards for steel bridges 618
Bay St. Louis Bridge contract let 488
Box girder for Passaic River Bridge 304
"Bridge substructures built to fit site conditions on Pennsylvania Turnpike's Western Extension," Charles W. Granacher 696
"Bridge waterway area formula developed for Indiana," Robert Yule (Oct. '50) Discussion by Tate Dalrymple 160
Closing girders placed in Passaic River Bridge 672
Delaware Memorial Bridge opened to traffic 549
Discussion by A. Fraser Rose 600
"East St. Louis Bridge erected by cantilever method," E. L. Durkee 383
"Floating caissons for Yorktown, Va., bridge sunk to 150-ft depth in swift-flowing tidal water," John N. Newell 406
Four-mile bridge-tunnel to span Hampton Roads, Va. 490
George P. Coleman Memorial Bridge, Yorktown, Va., swing span 112, 616
"Ingenuity and heavy equipment combine to build 4.3-mile Chesapeake Bay Bridge" 278
Mid-Hudson River bridge plans approved 54
New Bridge at Wheeling, W. Va. 614
New York Central RR to build Harlem River span 364
New York Thruway to span Hudson at widest point 50
Penrose Avenue Bridge, Philadelphia, opens 613
"Philadelphia's Penrose Avenue Bridge opened to traffic," Frank M. Masters 578
Plans for Hudson River Bridge at Kingston authorized 614
Quebec Bridge renovations to speed traffic 113
"Record swing span characterizes South Capitol Street Bridge" (Washington, D.C.), Harry J. Engel 1
"Screed template frame facilitates seating of bridge shoes" 715
"Single bridge piers (for Belle Vernon Bridge) built in cellular cofferdams," R. B. Howard 20
Straits of Mackinac bridge recommended 171
Symposium, "Skunk River Bridge exhibits composite action after twenty-eight years of service" "Tests reveal unexpected bond between concrete floor and steel stringers," Almon H. Fuller 402
"Can reliance be placed on natural bond between concrete and steel?" E. W. Blumenschein 404
Discussion by Ivan M. Viest 600
Three lane roadway opened on Brooklyn Bridge 372
Veterans's Memorial Bridge on Mississippi River opens 113
Ward's Island Bridge span placed 112
What's new in bridges 112

BUILDING CODES

Chamber of Commerce urges standardization of 674
Michigan engineering group studies 676
Revisions proposed by New York State 235

BUILDING RESEARCH ADVISORY BOARD

Advises government on building conservation 491
Research organization formed to aid 425

BUILDINGS

Adoption of modular coordination predicted 236
Aircraft expansion program contracts awarded 426
Aircraft plant contracted for 613
Army Engineers to construct veteran's hospital in New York 54, 234
Building contract to Dallas firm 47
Contract for Veterans' Administration hospital in Mass. awarded 364
General Motors dedicates new engineering center 676
Hotel-type barracks for Air Force 116
New Hospital for Springfield, Mass. 616
New York office building uses lightweight aggregate 673
Port of New York Authority Bus Terminal opens 48
Syracuse, N.Y., war memorial 614
"Thin reinforced concrete members form Turin (Italy) exhibition halls," Pier Luigi Nervi 6
"Thin-shell-arch hockey stadium for Quebec built in 10 months," Robert Zaborowski 586
See also Building Research Advisory Board, Garages, Roofs

CABLEWAYS

"Will a construction cableway fit your job?" J. G. Tripp 134

CAISSONS

"Deep, lightweight piers for (George P. Coleman Memorial) bridge at Yorktown, Va., built by caisson method," Maurice N. Quade, George Vaccaro 78
"Floating caissons for Yorktown, Va., bridge sunk to 150-ft depth in swift-flowing tidal water," John N. Newell 406

CEMENT

Cement mill in Virginia near completion 428

CHANNELS

"Dredges enlarge 50-mile Houston Ship Channel," Kenneth Heagy 152

CHIMNEYS

"Reinforced concrete chimney built to record height of 611 ft," Arthur M. Clark 74

CITY PLANNING

Businessmen's Conference on Urban Problems considers defense planning 56
"Chicago builds $230,000,000 superhighway system," V. E. Gunlock 88
City building in 1950 tops all records 302
"Expressways and railroads integrated in Louisville's city plan," Charles E. De Leuw 390
"Houston urban expressways promise savings of $2,750,000 annually," W. J. Van London 131
"Is the growth of our cities properly guided?" Harland Bartholomew 596
Philadelphia plans major improvement program 616
Philadelphia plans new industrial land use 368
Terminal to consolidate Manhattan air facilities 492
Urban growth studied in defense plant areas 676

COFFERDAMS

"Chemicals stop cofferdam leaks" (Cumberland River bridge), C. Martin Riedel 195
"Single bridge piers (for Belle Vernon Bridge) built in cellular cofferdams," R. B. Howard 20

COLUMNS

"Base plates for fixed-end columns should be designed to resist uplift," Stephen W. Waterman 218
Discussion by Robert V. Hauer 416
Discussion by Ralph W. Stewart 416
Discussion by author 478
"Design method for eccentrically loaded steel columns fits any code," Walter L. Willig, Charles W. Cunningham 717
"Effect of eccentricity on steel columns cannot be safely ignored," Paul Rogers 475

CONCRETE

ACI 47th annual convention 168
Developments studied at New York University seminar 430
"New deformation patterns improve bond of reinforcing bars," C. A. Willson 144
Discussion by Duff A. Abrams 347
New York builds reinforced concrete schools 613
"Oceanographic instrument aids bridge engineers in pouring under-water concrete," Wayne V. Burt, D. W. Pritchard 660
Stabilizing process speeds concrete form removal 738
"Steel-pan forms provide economical long-span roof," R. L. Reid 512
"Thin reinforced concrete members form Turin (Italy) exhibition halls," Pier Luigi Nervi 6
"Thin-shell-arch hockey stadium for Quebec built in 10 months," Robert Zaborowski .. 586

CONSTRUCTION COSTS

ASCE handbook on *Construction Cost Control* available 492
Materials major cost in water and sewage works 554

CONSTRUCTION EQUIPMENT

American equipment used on Beirut Airport 118
Associated Equipment Distributors hold 32nd annual meeting 172
Dealer service aids conservation of 365
Heavy equipment speeds clean-up in Midwestern flood area 550
Heavy equipment speeds landslide removal 429
"Ingenuity and heavy equipment combine to build 4.3-mile Chesapeake Bay Bridge 278
Inventory proposed by Associated Equipment Distributors 370
Lorain 50-I crane speeds Bedloe Island improvement 492
"Puddled clay cutoff walls stop sea-water infiltration," Aaron D. Rhodes 71
"Simple device equips fork-lift truck to yard concrete pipe sections" 597
"There is no substitute for brains—use them," Clyde W. Wood 202
Discussion by Duff A. Abrams 348
Twin tractor attacks Texas land clearing .. 736
"Will a construction cableway fit your job?" J. G. Tripp 134

CONSTRUCTION INDUSTRY

"A contractor assays the specifications for Bull Shoals Dam," Ross White 638
AGC annual convention meets in Boston .. 232
AGC formulates plans for civil defense 170
AGC-ASCE Joint Cooperative Committee meets 609
APWA meets in Detroit 671
Apprenticeship for construction workers urged 740
Building industry employers of New York State meet 54
Contractors' problems studied at AGC meeting 615
"Independent contractor or employee?" Walter C. Sadler 92
Joint contractor-producer group established 492
"Joint-venture contracting—phenomenon of the construction industry," J. G. Tripp 326
Discussion by W. E. Waste 534
Discussion by Francis Donaldson 534
Tax law changes recommended by AGC 490

CONSTRUCTION VOLUME

Activity in 1950 reaches all-time peak 108
Controls affect volume 298
Controls cause building shutdown in New York City 614
Drop in building materials production seen 116
Forecast decline in 1952 dollar volume 734
Increased manufacture of clay products 426
Monthly activity reported 49, 170
234, 298, 362, 425, 489, 548, 612, 671, 733

CONTRACTS

"Joint-venture contracting—phenomenon of the construction industry," J. G. Tripp .. 326
Discussion by W. E. Waste 534
Discussion by Francis Donaldson 534
"Liquidated damage clauses in contracts are not always valid," Walter C. Sadler 644
